

# Supercharge: Migration to AWS

Supercharge your migration to AWS and realise the benefits of a Well-Architected cloud platform with Ubertas Consulting. We work across all sectors and AWS technologies; no one knows AWS, or migrations, better. Partner with us and AWS and supercharge your business goals.

Ubertas Consulting are leading AWS Migration Specialists with experience across all sectors and AWS technologies; our Microsoft Migration Acceleration service will supercharge your cloud migration strategy and roadmap. Partner with us and AWS to deliver a well executed, and Well-Architected, migration!

Working with us as your Migration Partner will provide you with:

- A proven 4-stage fixed cost & duration migration process
- Increased ROI through the eradication of Microsoft SQL Server Licencing and zero AWS fees during migration
- Expedited migration activities through leverage tooling such as BabelFish and AWS DataSync
- Reduced upfront application re-architecting to unblock migration and accelerate AWS adoption
- Migrated workloads up to 85% faster using automated Cloud foundations
- Confirmed Well-Architected status for your mission critical operation.

## Ubertas Consulting: No one knows AWS better.

Proven 4-stage fixed cost & duration migration process:

- Accelerated time to launch utilising AWS services and cloud automation
- Zero AWS Fees during migration activity
- Landing zone deployment time reduced by 85%
- Focus on secure, cost optimised operations in alignment with AWS Well-Architected

**A member of our team will help guide you through the end-to-end process. To find out more about accelerating your migration please get in touch here: <https://ubertasconsulting.com/contact-us/>**
